

The **BRIDGES at SPRING CREEK** offers a special and incomparable location for your luxury home. Residents will enjoy the picturesque setting, including Spring Creek winding through the private development, a walking trail in a natural wooded setting, and four charming, historic stone bridges. The lots are developed with rural water, electricity, natural gas, and Midco telecommunications and internet. The quiet and remote development is just 5 minutes from Sioux Falls city limits, and near Good Earth State Park, Lake Alvin, and Spring Creek Golf Course.

Watch for more details and don't miss your opportunity to live in this outdoor paradise.
